

distributing it and/or by referring them to, or utilizing materials from, recognized central

events, excursions, and other activities, prior to the program. Monitor possible changes in country conditions. Provide information about changes and advise participants and their parents/guardians/families as needed.

I. Hire vendors and contractors (e.g. travel and tour agents) that have provided reputable services in the country in which the program takes place. Advise such vendors and contractors of the program sponsor's expectations with respect to their role in the health and safety of participants.

J. Conduct appropriate inquiry regarding available medical and professional

E. Cannot assume responsibility for actions or for events that are not part of the program, nor for those that are beyond the control of the sponsor and its subcontractors, or for situations that may arise due to the failure of a participant to disclose pertinent information.

F. Cannot assure that home-country cultural values and norms will apply in the host country.

2. Responsibilities of Participants

In study abroad, as in other settings, participants can have a major impact on their own health and safety through the decisions they make before and during their program and by their day-to-day choices and behaviors.

Participants should:

A. Assume responsibility for all the elements necessary for their personal preparation for the program and participate fully in orientations.

concerns to the program staff or other appropriate individuals before and/or during the program.

I. Accept responsibility for their own decisions and actions.

J. Obey host-country laws.

K. Behave in a manner that is respectful of the rights and well being of others, and encourage others to behave in a similar manner.

L. Avoid illegal drugs and excessive or irresponsible consumption of alcohol.

M. Follow the program policies for keeping program staff informed of their whereabouts and well being.

N. Become familiar with the procedures for obtaining emergency health and legal system services in the host country.

3. Recommendations to Parents/Guardians/Families

In study abroad, as in other settings, parents, guardians, and families can play an important role in the health and safety of participants by helping them make decisions and by influencing their behavior overseas.

Parents/guardians/families should:

A. Be informed about and involved in the decision of the participant to enroll in a particular program.

B. Obtain and carefully evaluate participant program materials, as well as related health, safety, and security information.

C. Discuss with the participant any of his/her travel plans and activities that may be independent of the study abroad program.

D. Engage the participant in a thorough discussion of safety and behavior issues, insurance needs, and emergency procedures related to living abroad.

E. Be responsive to requests from the program sponsor for information regarding the participant.

F. Keep in touch with the participant.

G. Be aware that the participant rather than the program may most appropriately provide some information.
